SHIP SECURITY ADVISORY No. 11-25

To: Owners/Operators, Masters, Company Security Officers, Recognized Security Organizations

Subject: GEOPOLITICAL CONFLICT IN ISRAEL

Date: 4 December 2025

This Ship Security Advisory (SSA) supersedes SSA 5-24.

1.0 Updates

1.1 This SSA updates the ship security level for Israeli ports.

2.0 Advice

2.1 Due to the negotiated ceasefire between Israel and Hamas, the Republic of the Marshall Islands (RMI) Maritime Administrator (the "Administrator") advises that:

- .1 the ship security level for all Israeli ports has been reduced to **Security Level 2** (or equivalent security measures at port). This includes port limits and the territorial waters (12 nautical miles) off these ports; and
- .2 the ship security level for the remainder of Israeli territorial waters is set to **Security Level 1**.

Please direct any questions or concerns on this subject to marsec@register-iri.com.

This SSA is evaluated annually by the Administrator and expires one year after its issuance or renewal unless otherwise noted, superseded, or revoked.
